DETROIT

Detroit is one of the largest cities in the U.S. and, at one time, was one of the most powerful with the auto industry. Over the last several years, however, the economy in Detroit has been in decline. This has created a massive need in the city for ministry to the poor and marginalized. We are privileged to work with Metro Life Church and make a difference in this city.

They are passionate about ministering to those in need. Pastor Matt Cripps and his staff have built relationships in their community and bridges of hope for the hurting. There are various types of activities we are involved in on each trip, such as block parties for local families, prayer walks, street ministry, adopt-a-block, kids ministry, food and clothing distribution, service and work projects, worship, team meetings and more.
